**Virginia Veterinary Disclosure Form**  
*Acredale Animal Hospital of Great Bridge*

By state law, we are required to inform you of the hours during which there will be no doctors in the hospital.

After regular business hours, we will remain with any sick pets as long as necessary until they are properly stabilized. However, if your pet requires constant monitoring, arrangements need to be made to transfer your pet to a local emergency hospital. Our Kempsville hospital is open and staffed by a veterinarian 24 hours a day, 7 days a week.

Acredale Animal Hospital of Great Bridge, Inc. has business hours and medical staffing hours as follows:

- Monday 8:00 am to 8:00 pm
- Tuesday 8:00 am to 8:00 pm
- Wednesday 8:00 am to 2:00 pm
- Thursday 8:00 am to 8:00 pm
- Friday 8:00 am to 5:00 pm
- Saturday 8:00 am to 3:00 pm
- Closed Sundays and Holidays

Therefore, we have no in-house, on duty, continuous medical staff care: 1. overnight from closing times (as noted above) to opening time. 2. Weekends, from closing time on Saturday to opening time on Monday. 3. Holidays, from closing time before the holiday to opening time following the holiday. 4. Holidays falling on Monday from closing time on Saturday to opening time on Tuesday.

We take responsibility for caring for your pets very seriously. If your pet becomes ill, or shows evidence of fleas, worms, or any other parasite, they will be treated at your expense. If you do not wish for your pet to be treated, then we cannot allow your pet to stay at our hospital.

Aside from food and medications, we take no responsibility for any items you select to leave with your pet.

***I have read this form and I am aware of the above staffing hours.***
